

CIUDAD DE PALMA

The city of Palma has a lot of stories and legends. Stories that are observing the different mixed arts that have endured for centuries, a mixture of cultures, Roman, Arab, Jewish and Christian. One can also see traditional businesses, and neighborhoods are still known for the headquarters of the various guilds which housed there, as *Esparteros*, linen weavers, the ropers, and many others.

Walking through the narrow streets that form, you discover all the riches that are monumental buildings, plazas, palaces, courtyards and gardens and the ancient walls, the Arab baths, the *Lonja*, etc.

Not only is comprised of old buildings in the city, also has a large bay on which it enters the Mediterranean Sea. In this bay you can see, through the promenade built, different types of boats, from the mythical *llaut* to the most luxurious yachts, as well as military fleet.

Price of the excursion: 55 Euros (Included Guide, Lunch a Restaurant in Palma and VAT)
